

MEMBER-MEMBER MATCH PLAY CUP

Starts Monday, June 28th

Men Play Black Tees

Senior Men (70+) Play Gold Tees

Women Play White Tees

FORMAT: Net Better Ball Match Play - A match consists of one side playing against another over a stipulated round. The game is played by holes. A match is won when one side leads by a number of holes greater than the number remaining to be played. If the match is tied at the end of the round, Sudden Death will occur until the match is won by one of the sides. This is a single elimination bracket.

COST: \$40 Per Team

SEEDING: By Combined Handicap Index

RULES: USGA Match Play Rules Apply

SCORING: A hole is won when a team's net better ball score is lower than the other teams. A hole is halved when both team's net better ball is the same. The match ends when one team is up by more holes than the number of remaining holes. For example, if a team has a four-hole lead and there are only three holes left to play, the match is over because the trailing team cannot possibly make up the difference. Playoff holes will be added to the match if the score is tied after regulation.

TIES: Sudden Death Playoff Starting on Hole #1
